

Name: Gemma Mitchell

Position in IPLA: Early Years SIG Group Lead

Job Role: Lecturer in Education and Professional Learning, Cardiff Metropolitan University

Qualifications: MA Education, BA Hons Primary Education

Areas of interest: Gemma's current research interests include Professional Enquiry and Professional Learning of teachers enacting Curriculum for Wales (CfW), Initial Teacher Education motivational climate and mastery of conceptual understanding of Physical Literacy (PL) and enactment of Health and Wellbeing Area of Learning and Experience within CfW. Gemma aligns with constructivist paradigms and has a keen interest in philosophical underpinnings of phenomenology and hermeneutics within teacher education and PL.
